

# Dartmouth Intramural Sports FAQ

## I'm a team captain. What's my first step?

1. Create your profile on [IMLeagues.com](http://IMLeagues.com)
2. Click on the sport that you wish to play.
3. Please click on your desired league (co-rec, men's or women's) to create a team. For some sports you may have a few options for which day of the week you will play as well. It helps to confer with your teammates first before selecting as you can't change once the leagues are locked.
4. Pass the participant's quiz. The sport rules and policy handbook can be found on the [IM Sports website](#).
5. Pay your IM membership fee if you haven't already for the term/academic year.
6. Invite participants to join your team.
  - a. Keep checking the notifications on your team's page on IMLeagues to accept pending requests from your teammates.
7. After you successfully create your team, your team will be put on the Waitlist until confirmed by the Intramural Office. This allows us to give priority to undergrad students and request team name changes if needed. Once your team name is approved and you've reached the required minimum roster size your team will be confirmed on a first-come-first serve basis.

## How do I sign up for intramurals?

In order to participate in intramural sports, you will need to create a profile on [imleagues.com/dartmouth](http://imleagues.com/dartmouth). From there, you can either create a team or accept a request to join another team. For detailed instructions on IMLeagues.com registration click [here](#).

## How do I purchase my IM membership?

To participate in Dartmouth Intramurals, students will purchase an individual membership; this replaces the team play fee.

You pay for your memberships via <http://www.IMLeagues.com/Dartmouth> when you register for your first sport or team of the academic year (summer term through spring term). Memberships will not be pro-rated, are non-refundable and non-transferable.

### Cost:

\$10 per quarter

\$25 per academic year (summer term through spring term)

## How do I get on a roster on IMLeagues.com?

You have two options. Option number 1 is for the captain to send out invitations for the players to accept. Option 2 is for the players to send a request to join the roster which the captain would have to accept.

### **Who is eligible to play intramurals?**

Currently enrolled students and grad students and currently employed faculty and staff are eligible to participate in Intramural Sports. Alumni, spouses, partners, family and/or friends are not eligible.

### **Do I need to pass the participant's quiz?**

Yes. All IM participants need to pass the participants quiz for each sport before becoming eligible to join a team.

### **Do I need to bring my Dartmouth ID with me?**

Yes! You will need to show your Dartmouth ID to the intramural official or supervisor at check-in who will verify that you are listed on your team's IMLeagues.com roster. **NO ID = NO PLAY.**

### **How many teams can I be on?**

Participants are able to compete on one (1) Co-Rec team and one (1) single gender team per sport.

### **What is the difference between the Granite League and the Moosilauke League?**

The Granite League teams are actively trying to compete and win. Teams in this league tend to be more competitive in nature.

The Moosilauke League is intended for teams that are typically not as experienced or more beginner teams. Teams in this league are looking for more of a recreational environment.

### **When and where are Intramural Sports games played?**

Intramural contests are played at a variety of locations. Typically our outdoor sports will be played at the Garipay Fields and indoor sports will be played at either West Gym (in Alumni Gym) or Thompson Arena (ice rink).

### **What if I don't have a team to join? Can I sign up as a free agent?**

Yes! If you do not have enough players to make a team, you can sign up on [imleagues.com/dartmouth](http://imleagues.com/dartmouth) as a free agent. You will then be able to message captains about joining their team.

### **What if I am not on the roster for my game?**

There are several reasons why you may not appear on the printed roster. They can range from not having a valid membership to not fully completing the online quiz to your captain not accepting your request to join the team.

If you are not on the roster on IMLeagues.com, you will not be able to participate in that day's game, however, see the on-site Intramural Supervisor for assistance in trouble-shooting the registration process so you can play in the next game.

### **What types of leagues do you offer?**

We offer several different types of leagues. We offer Co-Rec leagues which are comprised of both men and women and have rules pertaining to the ratio of men and women on the playing surface at all times. The Granite League is the most competitive league, followed by Moosilauke and in some cases the Green League. The Green League is for those with no experience whatsoever in the sport – also known as the Rookie League. We also offer Men's and Women's leagues. Women are able to compete in the Men's league.

### **What if my team is on the waitlist?**

Upon initial registration your team will automatically be placed on the waitlist until your roster reaches the minimum number of participants.

If your team remains on the waitlist, keep checking back. There is a chance that we will open more available spaces depending upon how many teams are on the waitlist and if we still have time and space available.

### **Do I have to bring my own jersey and equipment?**

We will have pinnies on-site for teams as needed. However, if your team would like to purchase or make your own jerseys, that is fine too! They must be sport appropriate and non-offensive. Any person wearing clothing deemed to be in violation of Dartmouth College community policy will be asked to change.

We do provide most equipment, but not all. Please see the sport specific rules for more information.

### **How does the Team Sportsmanship Rating (TSR) work?**

After each team sport games, officials will assign a sportsmanship rating to each team. Ratings are 0-3 with three (3) being given for exemplary conduct. The ratings will be averaged over the course of the regular season games and playoffs. Teams must have an average score of 2.0 to be playoff eligible and remain eligible during playoffs. Teams dropping below 2.0 in the playoffs will be eliminated from the tournament.

### **What if my team or I can't make it to our/my game?**

If an individual player can't make it to a specific game, it's okay. Individuals just need to check into in one (1) regular season game in order to be eligible for the playoffs.

If a team can't make a regular season game and they know twenty-four (24) hours before their game, they can email [Intramural.Sports@Dartmouth.edu](mailto:Intramural.Sports@Dartmouth.edu) with their team name and division and they will receive a default meaning they will receive zero (0) points in the standings because it allows us time to attempt to find another team to play in that game. If a team can't make a regular season game and just don't show up to the field/court/rink, they will receive a forfeit and

lose two (2) points in the standings. If your team forfeits a game your team will be suspended and will have to pay a \$10 re-instatement forfeit fee. ***Reinstatement is not necessarily guaranteed.*** Payment will only be accepted online through IMLeagues.com.

**When can players be added to the roster?**

Players can be added to the roster up until the last regular season game. At the conclusion of the game, your roster will be locked and no new additions will be permitted for the playoffs.

**My game got cancelled due to inclement weather. Will it be made up?**

It is extremely difficult to reschedule games based on facility/field availability, opponent availability, and time constraints.

The Intramural Staff will attempt to reschedule games when teams are playing multiple sports, academic conflicts or religious concerns, but it is not guaranteed.

**If you have additional questions about the above topics or any other intramural topic, please email us at [Intramural.Sports@Dartmouth.edu](mailto:Intramural.Sports@Dartmouth.edu).**
